

## **Phoenix Dental Castings Ltd**

### **Job Description**

Job Title:	Ceramic Dental Technician
Salary:	£19,000 - £26,000 Dependant on experience
Hours:	Monday – Friday, 40 hours per week
Responsible to:	Crown & Bridge department manager
Place of Work:	Phoenix Dental Castings, 1 The Alpha Centre, Osprey Road, Sowton Industrial Estate, Exeter, EX2 7LH

---

Phoenix Dental Castings Ltd is a large dental laboratory based on Sowton Industrial Estate. We produce NHS and private dental prosthetics for dentists in the UK and Eire. The annual company turnover is approximately £1.4 million and the company employs 40 people on two sites in Exeter and Oxford.

The fixed prosthetic department is a busy area with a constant flow of work and peak periods of the day and year. Work is received throughout the day from dental surgeries across the UK. We are looking to employ a registered Dental Technician with experience of working with fixed prosthetics.

The role will include all elements working in a dental laboratory department and producing quality fixed prostheses.

If you are interested in applying for this post, please submit your CV and covering letter to Jo Duffin, Phoenix Dental Castings Ltd, 1 The Alpha Centre, Osprey Road, Sowton Industrial Estate, Exeter, EX2 7LH or [jo.duffin@phoenix-dental.co.uk](mailto:jo.duffin@phoenix-dental.co.uk) no later than 5 pm.31 July 2018. Interviews will take place on 10 &13 August and will consist of formal interviews and bench testing.
